

The Alliance for Historic Landscape Preservation

32nd Annual Meeting

Enchanted Landscapes: Exploring Cultural Traditions and Values

April 21-24, 2010 • Albuquerque, New Mexico

The Alliance for Historic Landscape Preservation is excited to hold its 2010 annual meeting in **Albuquerque, New Mexico**. From April 21 through April 24, we will explore regional landscapes and hear from local landscape experts, as well as students and faculty from the University of New Mexico School of Architecture and Planning.

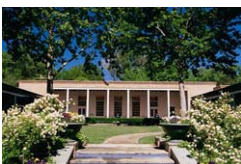

Our primary venue will be the **Hotel Albuquerque**, which exemplifies the “Albuquerque Style”, a modern blend of New Mexico’s Pueblo, Spanish, Territorial, and Western cultures. The hotel is adjacent to the museum district and Albuquerque’s Old Town. Founded in 1706 by Spanish settlers, Old Town is a City of Albuquerque Historic Zone and reflects a traditional Spanish town in its layout of a central plaza with a church. More than 200 shops, restaurants, galleries, and private residences, many of which occupy historic buildings, surround the San Felipe de Neri Church. Old Town continues to play a central role in religious, commercial, and cultural activities of the city.

On our regional tours we will experience: **Los Poblanos**, a 25-acre site with its inn and La Quinta Cultural Center, the latter which has been brought back to its original use as a building for public use and recreation. The property boasts an organic vegetable farm, a lavender farm, and John Gaw Meem buildings; **La Bajada**, a scenic and historically important basalt escarpment between Albuquerque and Santa Fe that reflects a span of human activities of more than 400 years; **La Bajada acequia** (historic communal irrigation), providing water from the Santa Fe River to the village of La Bajada; and, **Acoma ‘Sky City,’** a Pueblo Indian community likely established in the 12th century.

Each day will provide time for discussions organized around paper presentations, summaries of works-in-progress, and posters.

New Mexico is a unique blend of historic and modern traditions, urban and rural spaces, and artistic and scientific influences. With its scenic byways, sacred peaks, and endless vistas, and where the night sky is considered a heritage resource, it is no wonder they call it the Land of Enchantment. Mark your calendars and save the date – we look forward to seeing you there!

Call for Papers, Summaries of Works-in-Progress, and Posters

The Alliance welcomes proposals for paper abstracts, summaries of works-in-progress, and posters. Those that relate to the theme of *'enchantment' and/or 'exploration' as applied to landscapes* are especially welcome, but this should not discourage those wishing to address other landscape issues. Papers that encourage lively discussions and new thinking about cultural landscapes are always welcomed.

Proposals should be sent to **Ian Firth** at: ijwfirth@uga.edu. The deadline for the Call for Papers is Friday, **February 12, 2010**.

Detailed information about the Call for Papers, Summaries of Works-in-Progress, and Posters can be found at www.ahlp.org

Student Scholarships Available: 2010 New Mexico

For the 32nd Annual Alliance Meeting, one or more scholarships are available for students in the fields of study related to cultural landscape architecture including landscape architecture, architecture, planning, conservation, cultural geography, history, anthropology, and horticulture. Students may apply to receive a waiver of the conference registration fee and a payment of US\$300 to defer travel expenses to attend the conference.

How to Apply

The following materials must be received on or before **Friday, February 12, 2010**:

- a letter addressed to the Alliance Scholarship Committee detailing your interests in attending the 2010 meeting;
- a copy of your curriculum vitae;
- an abstract of your research to be presented at the meeting; and,
- letters of recommendation from three (3) faculty members and/or employers who are familiar with your research.

Students interested in an Alliance scholarship to attend the meeting should visit our website, or contact:
